Ever since **Louis Vuitton** unveiled his stylish trunks, travel products have become a fashion staple in and of themselves. To honor this, a new exhibit of design-inspired travel products will go on display in **London** next month.

According to the *Independent*, the "Travel Through Design" exhibition will be hosted by the **Park Plaza Westminster Bridge** as part of the **Italian Design Exhibition Area (IDEA)**, which will focus on Italian designers.

Scheduled to run September 22 - October 22, IDEA showcases the work of names such as **Alessi**, **Danese** and **Foscarini**, as well as shining a spotlight on some rising talent.

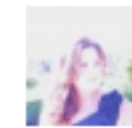

It is being held as part of **London Design Festival**, which runs September 17-25.
